## PROJECTS & EXPERIENCE

### Student Engineer & Reporter

#### Yellow Breeches Television - Messiah University

September 2022 - May 2025

- Set up the TV studio for the live shows every week and worked with the team to make sure that things are running smoothly in the studio.
- Edited and filmed packages, VO's, and VO-SOTs on Messiah's campus for the weekly shows.

### Director of Photography & Editor

#### *I'm Sorry I Love You* - Messiah University

May 2024 - April 2025

- Designed and shot the visuals for the film
- Worked closely with the director to achieve the goals of the story visually
- Edited and designed the picture, sound, titles, and color for the whole film

### Production Assistant Intern

#### Catamount Access Television - Bennington, VT

August 2022 - June 2024

- Filmed town events, concerts and meetings and equipment management
- Edited video for in-town events to be put on TV and YouTube
- Worked with a small team on video projects and live streams

### Program Team - Media Member

#### Bethany Birches Camp - Plymouth, VT

June - August 2024

- Took photos and filmed/edited videos for the camp every week
- Worked with the program team to run the camp activities and keep track of the campers and staff

### SkillsUSA Member

#### Vermont SkillsUSA member/competitor

2021 - 2022

- Won gold in the 2021 Vermont Television (Video) Production Competition
- Competed in the 2022 Vermont Digital Cinema Competition

## CAREER OBJECTIVE

Seeking a position with a TV or video production company to advance my videography, photography, and production skills. I'm eager to produce high-quality videos and photos, and also support a production team with my expertise with various cameras and editing platforms.
